Plan of Adjustment Confirmed

A BRIGHT FUTURE AHEAD

For the City of Detroit

TODAY MARKS THE BEGINNING OF A NEW, EXCITING CHAPTER FOR THE CITY OF DETROIT

We are proud of the leading role we played in Detroit's restructuring and revitalization while working as part of a talented team of city and state leaders, the business and philanthropic communities, citizen advocates, and other professionals. Most of all, though, we are proud to see the city we call home fight back against great odds and make a historic comeback that few thought possible.

Congratulations to Detroit and its citizens – a bright future awaits.
